

# Merit Badges

A Merit Badge (MB) is an award that is presented to a Scout when he completes the requirements for one of the merit badge subjects. The badge is only a small piece of khaki cloth with a design embroidered in color, but it has a great deal of significance for the scout and his advancement.

Scouts may choose among the more than 100 subjects, choosing those that seem most interesting to them.

There are several Merit Badge Counselors in our troop and in the area who are qualified to teach the topics and subjects. Please see Scoutmaster Realander to get a MB Blue Card BEFORE you work on any Merit Badge.
